Summary

Web Developer specializing in both front and back end development. Worked on projects requiring all the stages of the development cycle for dynamic web projects. Developed projects leveraging numerous programming languages and web technologies including HTML5, CSS, JavaScript, Typescript, Python, Node JS, Express JS, SQL, MongoDB.

Skill Highlights

- HTML
- CSS
- React
- JavaScript
- Typescript
- Python
- Node JS
- Express JS
- MongoDB
- MYSQL
- UI/UX
- Figma/Framer
- Wordpress
- Good time management
- Team work and collaboration
- Skill Adaptability
- Detail oriented

Experience

Web Developer - Intern (2022 - 2023)

AKSU-ICT, Akwa-Ibom State

- Contributed valuable insights during weekly analysis meetings, identifying potential issues in the institution's web application, which led to a 30% reduction in reported bugs and improved user experience.
- Conducted feature testing of future releases for the institution's web application, reducing the workload on developers, thereby increasing their production rate by 20%.
- Co-led a focused tutorial session for students onboarding to web development, providing guidance and support to enhance their learning experience.
- Addressed minor network troubleshooting issues, leading to reduced downtimes and preventing network crashes.

Education

Bachelor of Science: **Computer Science**- 2019 – 2023

Akwa-Ibom State University, Akwa-Ibom State
